FUNERAL PRODUCTS

Remembrance items and more for the funeral professional

Shaw's Funeral Products, a division of Shaw & Sons, founded in 1750, are suppliers of high quality commemorative items and specialist accessories for funeral professionals.

Foremost is a range of unique ornamental ash caskets in a variety of materials and styles, from the traditional to the ultra-modern. Most of these exquisite items are hand made by craftsmen and all pass stringent quality tests to ensure that they are amongst the finest urns available anywhere. Miniature keepsake versions of many of the urns, as well as several additional styles, are available for use where ashes are to be retained by more than one relative or friend of the deceased.

Also featured is a high quality ash jewellery collection to contain mementos of loved ones.

Finally for the bereaved is a series of beautiful memorial books in a choice of styles, to record tributes to the deceased. For funeral professionals themselves, an extensive range of practical products is included within these pages to help make the service they offer their customers smoother and more efficient.

Wondering what to do with the ashes of your loved one?
Let us guide you through your options.

DISPLAY
This could choose to keep the ashes, or some of the ashes of your loved one (often contained within an urn, to make a glowing feature in your home or garden).

BURIAL
Ashes can be buried or interred within the grounds of the local crematorium or cemetery. Each garden has an 'ownership' period for many years.

SCATTER
Some people choose to scatter the ashes of their loved one in a location with a special meaning, where permitted, or in a local garden of remembrance.

SHARE BETWEEN FAMILY MEMBERS
You could consider sharing the ashes, or some of the ashes, between family members in the way that you see fit. This could be done in a number of ways, such as in a memorial garden, or in a local garden of remembrance.

MINIATURE KEEPSAKE URNS
Popular choices include:
• Woodland urns
• Pearls
• Beeswax
• Granite memorials
• Quality of remembrance

REMEMBRANCE ITEMS

The following pages feature our range of exquisitely crafted cremation urns. These beautiful pieces come in a wide variety of materials and in styles that range from the traditional to the ultra-modern.

Every urn is meticulously checked to ensure it is of the highest quality and blemish-free.

Many of the following urn designs are patented to ensure that they cannot be copied; however, it has not been possible to patent all the designs and buyers should be aware that similar products available elsewhere may not be made to the same exacting standards.

All urns shown here are available from stock. However, we are able to supply a great many other styles to special order: our complete range can be seen on our website www.shawfuneralproducts.co.uk

 This icon symbolises that the item is part of the LoveUrns™ collection, a high-quality designer range of brass urns.

The Signature Collection

Each of these urns is a work of art and makes a stunning feature in any setting.

“Lovebird”

Similar in style to the teardrop urns, the “lovebird” urn is amongst our most contemporary designs. Lovebird urns seal using a screw-in plug at the base.

Please note that even the large size in this style is of a small capacity and may not contain a full set of adult ashes.
For more information on capacity, see page 32.

“Teardrop”

In textured gold or smooth silver finish, these brass urns symbolise the tears that accompany the passing of a loved one. As they are not immediately recognisable as urns, they are perfect for placing in a prominent position within the home. Teardrop urns seal using a screw-in plug at the base.

Please note that even the largest urn in this style is of small capacity and may not contain a full set of adult ashes.

Marble Urns

The stone that is used for these marble urns comes from highly-prized stone caves in Asia. Each urn is finished and polished by hand. As marble is a natural product, no two marble urns will ever be the same. Marble urns feature lids which rest atop the urn. Lids can be glued in place to permanently seal the urn. Marble urns are suitable for keeping outdoors but must be suitably sealed to prevent ingress of water.

Titanium Jewellery

The titanium keepsake pendants offer not only striking design, but amazing wearability for both men and women. As lightweight as they are lustrous, these beautiful pieces are crafted from highly durable titanium. Prized for its health benefits as well as its long-lasting beauty, titanium is stronger than steel yet surprisingly lightweight. Titanium is non-magnetic and hypoallergenic, which makes this unique material ideal for everyday wear.

Necklace chain links are not adjustable.

Traditional Collection – Looseleaf

We offer a range of beautifully designed books of condolence with a choice of page styles: either sensitively-worded text in ornate type, lined or completely plain paper. All books measure 292mm x 203mm.

Ornate text pack inserts are issued with every order unless otherwise advised. They consist of 22 pages of text, the contents of which are as follows:

- Extra plain or lined sheets of paper (packs of 35 sheets) are available at a cost of £10.00 per pack.

Wildflower Memorial Stationery

Wildflower memorial tokens and bookmarks are a thoughtful stationery gift to offer the bereaved.

Detachable adornments – available in the shape of hearts or butterflies – can be planted to grow and blossom into beautiful wildflowers, creating a perpetual tribute to their loved one.

Both the tokens and the bookmarks can be customised to the face with company details and messages (this service is free of charge on all orders of 200 or more), thus turning a thoughtful stationery gift into a subtle yet effective business card. Company details, messages and logos can also be printed on the reverse of the card at additional cost.

Offer your personalised tokens or bookmarks to attendees of funeral services and you will ensure that your company name stays with them long after the event.

Adornments are handcrafted in the UK using paper made from handspun cotton fibre, British wildflower seeds and petals.

Special Order Urns

All of the urns shown in this brochure are available for immediate dispatch from stock. However, we are able to supply a great many other styles to special order. Our complete range can be seen on our website www.shawfuneralproducts.co.uk.

Special order urns are subject to longer lead times. The website makes it clear for each special order item what the lead time will be. Normally special order urns are dispatched within 1-3 weeks.

What Size Urn to Order?

The average sized adult in life will create about 3.5 litres of cremated remains. Most of our adult urns have a standard capacity of 3 litres or above, although some have much larger capacities (see note below).

How much ash is left after cremation?

Industry guides says that for every pound of body weight, allow one cubic inch of cremated remains. Standard size urns have approximately 200 cubic inches or 3.5 litres of internal volume and are suitable for an average adult. 1 litre is 61 cubic inches and 1 cubic inch is 0.0164 litres.

Example

1 pound = 1 cubic inch of ashes

14 stone = 196 pounds

196 cubic inches x 0.0164 litres = 3.2144 litres of ashes

The table below shows the urn capacity required for a full set of ashes for different body weights.

| | | | |
|-------------|------------------|----------|--------------|
| Body weight | Cremains created | 15 stone | 3.444 litres |
| 10 stone | 2.296 litres | 16 stone | 3.674 litres |
| 11 stone | 2.526 litres | 17 stone | 3.903 litres |
| 12 stone | 2.755 litres | 18 stone | 4.133 litres |
| 13 stone | 2.985 litres | 19 stone | 4.362 litres |
| 14 stone | 3.214 litres | 20 stone | 4.592 litres |

Extra Large Capacity Urns

The funeral industry offers a wonderful array of cremation urns, but most are only suitable for containing capacities of cremated remains up to approximately 3.5 litres (which will hold the ashes of an average-sized adult). Shaw's Funeral Products are delighted to offer a number of styles which can contain greater capacities of cremains.

Extra large capacity urns are featured on our website in a dedicated category "Cremation urns (extra large capacity)". Within this category, a total of 22 extra large capacity urn styles are available from stock for immediate dispatch, while a wider range of urns are available to special order (with a lead time of approximately 10 working days).
